## RIMS Fairfield-Westchester Chapter March 18, 2020

### Strategies for Current Market Realities

Join us for a panel discussion with AIG and Willis senior executives about current underwriting challenges, and how brokers and risk managers can navigate the market realities to differentiate your business risk. Our speakers will be:

- Barbara Luck - AIG U.S. leader for Admitted Casualty, including primary casualty, excess casualty, international casualty and environmental casualty.
- Greg Kuchinski – AIG Property Executive, Northeast
- Joe Peiser – Head of Broking for Willis Towers Watson, Joe is responsible for the broking strategy across all of WTW’s Corporate Risk & Broking product lines and geographies, and is also responsible for the strategic relationships with WTW’s major insurance company partners throughout the world that underwrite Property & Casualty insurance for WTW’s clients.
